

REL^{ANT}

Ag Solutions

2230 CAROLINA LEAF ROAD
GREENVILLE, NC 27834
(833) 618-9691

General Information

ReliaQuest Solutions are fully chelated EDTA solutions formulated to prevent nutrient tie-up and designed for use in soil and foliar applications, with or without crop protectants. Always perform a small-scale compatibility test before large-scale mixing.

First Aid

- **Ingestion:** Call a physician immediately. Only induce vomiting at the instruction of a physician. Never give anything by mouth to an unconscious person.
- **Eyes:** Rinse cautiously with water for at least 15 minutes. Remove contact lenses, if present, and easy to do. Continue rinsing. Obtain medical attention.
- **Skin:** Remove contaminated clothing. Drench the affected area with water for at least 15 minutes. Obtain medical attention if irritation develops or persists.
- **Inhalation:** Go into open air and ventilate suspected area. Obtain medical attention.

Conditions of Sale

Reliant Ag Solutions, LLC (Company) warrants that this product conforms to the chemical description of the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions. The company disclaims all other warranties, expressed or implied, including any warranty of fitness or merchantability. The company shall not be liable for consequential, special, or indirect damages resulting from the use or handling of this product, and the company's sole liability and buyers' and users' exclusive remedy shall be limited to the refund of the purchase price. Buyer and seller acknowledge and assume all risks and liability resulting from handling, storage, and use of this product. The company does not authorize any agent or representative to make any other warranty, guarantee, or representation concerning this product.
