

RELIANT

Ag Solutions

2230 CAROLINA LEAF ROAD
GREENVILLE, NC 27834
(833) 618-9691

General Information

ReliaQuest Micronutrient Solutions

are a blend of 100% fully chelated EDTA micronutrients in the precise ratio for crop uptake and efficiency. Also contains penetration and translocation aids, as well as humectants and growth enhancement compounds for easier nutrient mobility in the plant. Always perform a small-scale compatibility test before large-scale mixing.

Precautionary Statements

CAUTION: KEEP OUT OF REACH

OF CHILDREN. Harmful if swallowed or inhaled. Avoid contact with eyes, skin, and clothing. Avoid breathing spray/mist/vapor. Refer to SDS for health, safety, and environmental information.

READ LABEL - FOLLOW DIRECTIONS.

Conditions of Sale

Reliant Ag Solutions, LLC (Company) warrants that this product conforms to the chemical description of the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions. The company disclaims all other warranties, expressed or implied, including any warranty of fitness or merchantability. The company shall not be liable for consequential, special, or indirect damages resulting from the use or handling of this product, and the company's sole liability and buyers' and users' exclusive remedy shall be limited to the refund of the purchase price. Buyer and seller acknowledge and assume all risks and liability resulting from handling, storage, and use of this product. The company does not authorize any agent or representative to make any other warranty, guarantee, or representation concerning this product.
